

World class selection of structural fasteners and assembly hardware

Aero-Glen International, LLC is an AS9100, AS9120, and ISO 9001 certified stocking distributor of structural fasteners, assembly hardware, and electronic components. Our team of product specialists can support all of your sourcing needs, from standard product to the hard to find and "made to print" items. AGI also has a comprehensive menu of value-added services - Kitting / Phased Release / JIT On-Site Managed Inventory Programs. Call today to experience AGI's brand of service - a courteous and competent salesperson will always answer the phone within the first 2 rings.
